PVT. LTD.

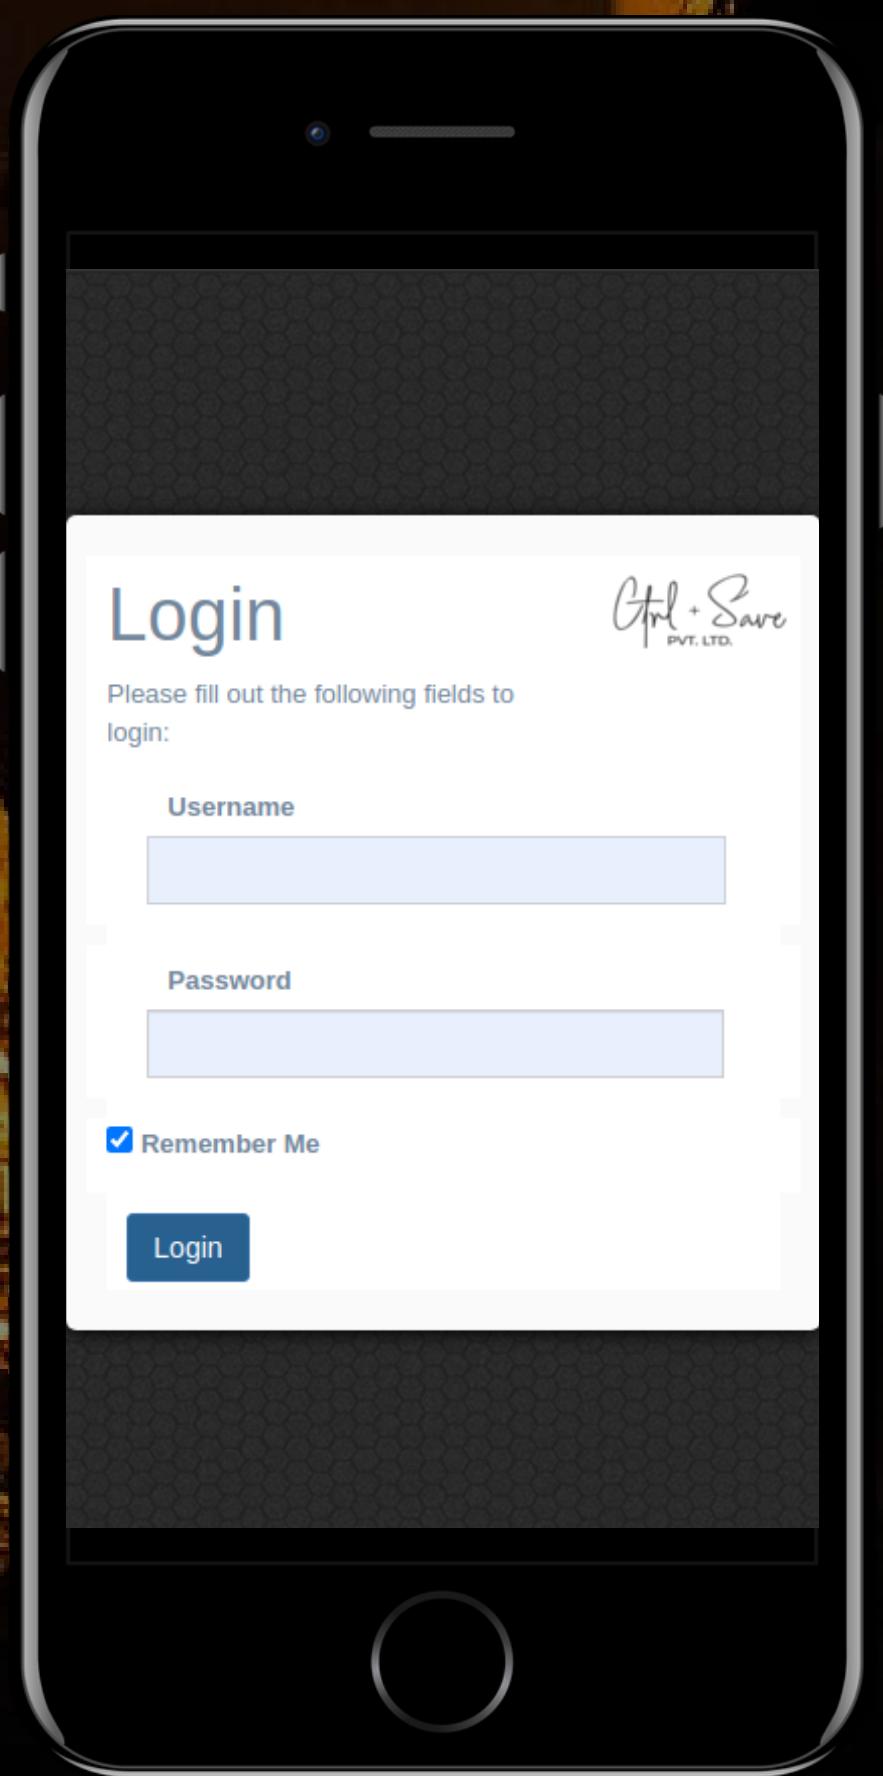

OUR AIM

Functioning, Management & Reporting made simple

OVERVIEW

Ferrosys ERP is our web-based app solution towards the efficient functioning and management of factories engaged in Ferro Alloy production.

We aim to achieve this with a seamless software experience that is easy-to-use and moulded to suit the industry.

WHY?

Manage Raw Materials

Track Consumption, Operation & Production

Tabulate Procurement and Sales

Reminders and Recording of Plant Maintenance

Accurate Cost of Production

Consumption Parameters

FERROSYS

An
ERP Solution for Ferro Alloy
Management
